A Warm Hello from HHHOK

Hello Wanderers! We're delighted to make the most of these sunny and HOT days together!

We are incredibly proud of Korey and honored to have him on our team. Korey serves as our Business Development Director. He shows up every day and provides knowledge, heart and compassion in all he does for our patients and families. Thank you so much for all you do, Korey. This recognition is well **DESERVED!**

Some advice for the summer

Drink lots of water and keep yourself hydrated. Wear sun protection, and stay healthy during your adventures.

**Home Health &
Hospice of KANSAS**

HOME HEALTH • NURSING • CARE PLUS PALLIATIVE

Home Health & Hospice of Kansas is locally owned and operated by Registered Nurses, and has been in business since 2005. We believe in making every life as meaningful as possible. We value the quality of life as much as quantity. Our mission is dedicated to providing exceptional, high quality and comprehensive services to our clients, families and the community. Our nurses, aides, therapists, social workers and chaplains are all certified, screened and highly trained to serve our patients with skill and compassion.

We offer home health, palliative care and hospice services.

To request information about skilled in-home services,

Making Lives Better, Together

Just as the branches of
a tree strengthen and
grow upwards to the
sky,
we too grow stronger,
striving for greater
knowledge, wisdom and
new experiences
as we move through
life.
