HOME HEALTH & HOSPICE OF KANSAS

WINTER TIME

What's been happening!

Fall Prevention

One of our core values is improving the health and well-being of our patients, families and our community. We love to teach and bring awareness to our seniors so they can live safely and confidently in their homes. Our Physical Therapist, Derek is hard at work providing education on preventative measures of safety in the home.

Veterans Day Parade 2024

Our amazing team was out at the Veterans Day Parade, to honor and support our Veterans. HHHOK is proud to be one of the sponsors of the Veterans Day Parade. We love our Veterans and do our very best to support them in every way. As a Level 4 “We Honor Veterans” provider, we are deeply committed to caring for our Veterans.

Lima Charlie Vet

We are back in the full swing of things after the holiday break. Home Health & Hospice of Kansas sponsors a monthly Lima Charlie Vet Café. Come join in on the fun with a free piece of pie/drink and amazing company. We love spending time with our Veterans.
